Actions and proposals of intervention in urban space

This book collects various actions and proposals of intervention in urban space gathered by the Urbanación organization (Ana Méndez de Andrés, Pablo Sáiz and Michael Moradiellos) along with La Casa Encendida, developed between 2007 and 2009. It also includes the projects of urban intervention and appropriation carried out in different parts of the world by raumlabor, Recetas Urbanas/Santiago Cirujeda, Vazio S/A, aaa (atelier d'architecture autogérée), Einfach/Mehrfach (Vienna), Green Guerrillas, Cascoland, Bruit du frigo and [R]activa04, with theoretical texts by Merijn Oudenampsen, Katja Szymczak, Klaus Obermeyer, Stany Cambot and Gil Doron; the result of workshops by Carlos Teixeira, Lara Almarcegui, raumlabor, Esterni and Pied la Biche, as well as the winning and finalist projects of the urbanación2 contest.

This publication is a part of the collection of books on urban reflection: Housing and Domestic Space in the XXI Century, Think Madrid
