

## Creative Space (Mini edition)

Francesca Gavin

*Creative Space* looks at 30 homes, from New York to Tokyo, via London and Paris, of the designers, directors, stylists, artists, graffiti writers, curators, novelists and innovators who are pushing the boundaries of contemporary culture. Filled with post-modern pop collectables, vintage junk finds, camouflage and graffiti, clothing and toy collections, these homes showcase quirky and original interior design.

Francesca Gavin is a writer and editor based in London. She is currently Visual Arts Editor at *Dazed & Confused* magazine. She has written features and reviews for publications including *Another*, *Blueprint*, *i-D*, *Art Review*, *Contemporary*, *Intersection*, *Marmalade*, *RA* magazine, *The Sunday Times* and *Wonderland*.
